

MAGIC Climate Change Vulnerability Assessment and Climate Plan Working Group Meeting 5

Wednesday, February 1, 2016; 2:00-4:00pm

Main Function Room, Pompositticut Community Center, 509 Great Road Stow, MA

AGENDA

Objectives:

- Updates from working group members so that the group can be aware of related ongoing and planned efforts
- Update on revisions and additions to Climate Plan so that working group members can provide feedback and guidance
- Recommendations from working group members on contacts so that outreach and connections can be made to new stakeholders and organizations
- Discussion of strategy for expanding network involved in climate planning for the MAGIC region so that there is municipal and non-municipal partners to move mitigation and adaptation strategies forward
- A timeline for completion of the draft plan
- A list of stakeholder contacts
- A timeline for outreach to expand network
