

# Route 9 Metro West Smart Growth Plan

Southborough • Framingham • Natick • Wellesley

## Final Public Meeting

The MetroWest Regional Collaborative and the Metropolitan Area Planning Council are working with Framingham, Natick, Southborough and Wellesley on a *Route 9 MetroWest Smart Growth Plan* focused on compact, mixed use developments that are more pedestrian- and bike- friendly.

**Monday, May 20 from 7-9pm**

**Morse Institute Library**

**14 East Central Street, Natick**

To register, please visit <http://mapc.org/events>

A brief review of the prior Route 9 Smart Growth presentations will be followed by a discussion of:

**Traffic Issues related to three Smart Growth Opportunity Areas**

**Design Guidelines/Recommendations**

**Implementation Strategies and Phasing**

Your input and suggestions are critical to the success and implementation of the *Route 9 Smart Growth Plan*!

---

This event is sponsored by MetroWest Regional Collaborative and the Metropolitan Area Planning Council with support from the HUD Sustainable Communities Program.

The Morse Institute Library is fully accessible to all visitors with disabilities. If you need any special accommodations such as language interpretation, assistive listening devices or meeting materials in alternate formats, please contact Bruce Leish at [bleish@mapc.org](mailto:bleish@mapc.org) or 508-881-2924.
