

## **NSPC Master Planning, Community Engagement, and Equity**

Thursday, December 14, 2017, 9:00 – 11:00 am

Burlington Town Hall

29 Center Street, Burlington, MA 01803

At this meeting we will talk about what equity means to us as a council and discuss how a focus on equity could change our work as a subregion. We will then hear from a few municipalities that will share their recent experiences with master planning. Last, we will have an “ask the experts” session with Manisha Bewtra, MAPC Analytical Services Manager, and Renato Castelo, Interim Community Engagement Manager at MAPC, about engagement of stakeholders in Master Planning efforts.
