

NSPC Work Plan Review and Clean Energy Programs

Thursday, September 14, 2017, 9:00 – 11:00 am

North Reading Town Hall

235 North Street, North Reading, MA 01864

MAPC Director of Clean Energy, Cammy Peterson, will present and answer questions about clean energy programs NSPC communities can get involved with. Neal Duffy, Regional Coordinator, Green Communities from the Massachusetts Department of Energy Resources will also share information on Green Communities. We will also hear about CTPS's technical assistance programs, review our annual work plan, and brainstorm ideas for meeting topics for the current fiscal year.
