Article II

Services of the VENDOR

2. The VENDOR will provide the goods and/or services as described in the RFP and its response thereto and VENDOR will, if required by the BUYER, negotiate an SOW and/or municipal contract.

3. The VENDOR shall report, and be responsible to MAPC or its designee to comply with all requirements set forth in The Contract Administration Fee which has been included herein as Exhibit E.

4. There shall be no amendment to this AGREEMENT without the written approval of MAPC. MAPC shall be under no obligation to pay for any goods provided or services performed by the VENDOR.

5. The VENDOR represents and warrants to MAPC as follows:

i. That it and all its personnel (whether employees, agents or independent) are qualified and duly licensed as required by Massachusetts state law and/or local municipal code to provide services and/or goods required by this AGREEMENT.

ii. That it further agrees to perform services, including any manufacturing, in a professional manner adhering to a reasonable standard of care and in accordance with all applicable State or Federal laws, rules and regulations.

iii. That it will obtain any and all permits, bonds, insurances and other items required for the proper and legal performance of the work.

iv. That it is not a party to any AGREEMENT, contract or understanding, which would in any way restrict or prohibit it from undertaking or performing its obligations hereunder in accordance with the terms and conditions of this AGREEMENT.

Article III

Performance of the VENDOR

6. In the performance of services under this AGREEMENT, the VENDOR acts at all times as an independent contractor. There is no relationship of employment or agency between MAPC, on the one hand, and the VENDOR on the other, and neither party shall have nor exercise any control or direction over the method by which the other performs its work or functions aside from such control or directions as provided in this AGREEMENT which the parties view as consistent with their independent contractor relationship.

7. The VENDOR agrees to be responsible for and warrantee the work of its subcontractors listed in Exhibit F and to ensure their compliance with all legal, quality and performance requirements of the Request for Proposals [“RFP”] – RFP No. attached in Exhibit B; and the VENDOR’S Price Proposal and Technical Proposal attached in Exhibit D. The VENDOR agrees that it may not use subcontractors not named in Exhibit F without the prior written consent of MAPC, which consent will not unreasonably be withheld.

8. VENDOR agrees that it will meet with MAPC quarterly (or a lesser period of time as determined by MAPC) to discuss the status of any implementation and review any concerns. Such meetings can be either in person at the MAPC office, or it may be conducted remotely. VENDOR shall prepare a written status report and send such written report to MAPC four (4) business days in advance of the meeting.

Article IV

Time of Performance and Liquidated Damages

9. Time shall be of the essence in relation to VENDOR’S performance under this AGREEMENT. VENDOR shall complete performance as promised in its quote that accompanies BUYER’S purchase order or other document confirming its authorization to the VENDOR to proceed. Reasonable extensions shall be granted by the BUYER at the written request of the VENDOR, provided the justifying circumstances are documented by and are beyond the reasonable control of VENDOR and without fault of VENDOR. In the event of such an extension, all other Terms and Conditions of this AGREEMENT, except the dates of commencement and completion of performance, shall remain in full force and effect between the parties unless modified in writing.
10. **MAPC** and **VENDOR** agree that the economic damage suffered by **BUYER** as a result of delay in the successful implementation of **BUYER’S** Parking Meters is not readily ascertainable. Where delay is solely attributable to **VENDOR**, **BUYER** may elect to impose liquidated damages as set forth herein. Liquidated damages shall be due to **BUYER** in the amount of 0.1% (one-tenth of one percent) of the face value of the **VENDOR’S** quoted or modified purchase price for each day performance exceeds the promised date(s). Such liquidated damages may be acknowledged in **VENDOR’S** final invoice or taken by **BUYER** as a deduction to such final invoice. In the event that **VENDOR’S** final implementation of its system fails to perform in accordance with the RFP and **VENDOR’S** proposal, **BUYER** shall, in writing, advise **VENDOR** of such failure to comply. **VENDOR** shall be given a 2 (two) week period to cure such failure. If **VENDOR** has not been able to cure such failure within 2 (two) weeks post written notice, **BUYER** may invoke liquidated damages, which shall include the assessment calculated above, as well as to require **VENDOR** to assume fiscal responsibility to recompense **VENDOR** for the cost of cover to engage a subsequent **VENDOR** to provide Parking Meters.

11. Any dispute in the amount of liquidated damages shall be submitted to arbitration by either **BUYER** or **VENDOR** through the American Arbitration Association within 10 (ten) business days of written notice given by the party declaring impasse. **BUYER** and **VENDOR** agree to fully comply with the arbitrator’s decision within a reasonable time.

**Article V**

**Revisions in the Work to Be Performed**

12. If during the **VENDOR’S** Time of Performance, **BUYER** requires revisions or other changes to be made in the scope or character of the work to be performed, **BUYER** will promptly notify **VENDOR** in writing. For any changes to the scope or character or work, **VENDOR** shall provide **BUYER** with a written quote of change in price and/or change in time of performance and shall proceed with such changes only upon written consent of **BUYER**, which shall be construed as a modification to **VENDOR’S** original purchase order.

13. **BUYER** will neither unreasonably request revisions nor will it unreasonably withhold final acceptance of delivered products.

**Article VI**

**Term of AGREEMENT**

14. The term of this AGREEMENT shall commence upon execution by **MAPC**, and it will continue until December 31, 2018, or until otherwise terminated as provided by this AGREEMENT or the RFP. **MAPC**, in accordance with the RFP, may elect to exercise 2 (two) 1 (one) year options to extend this AGREEMENT.
15. All Terms and Conditions of: This AGREEMENT and any amendments thereto; the RFP; VENDOR'S proposal and any amendments thereof, shall remain in full force and effect during the entire Term of this AGREEMENT and any extension thereto. Notwithstanding this provision, VENDOR may, in the event of MAPC's exercise of the second extension, request that MAPC negotiate a reasonable cost escalation, which price cannot exceed 5% of the cost at the time of the request. VENDOR shall make such request in writing and demonstrate the basis for such price increase. MAPC will in good faith negotiate such price increase request. However, MAPC will not guarantee that the requested price increase will be accepted.

Article VII

Orders, Fees, Invoices, and Payments

16. Orders, fees, invoices, and payment shall be processed and paid as specified in Sections 9.10 and 9.14-Terms & Conditions of the RFP.

Article VIII

Assignment

17. Neither party shall assign, transfer or otherwise dispose of this AGREEMENT or any of its rights hereunder or otherwise delegate any of its duties hereunder without the prior written consent of the other party. Any such attempted assignment or other disposition without such consent shall be null and void and of no force and effect.

Article IX

Indemnification

18. VENDOR agrees to indemnify and save MAPC, The Commonwealth of Massachusetts and BUYERS harmless from any and all manner of suits, claims, or demands arising out of any errors, omissions or negligence by VENDOR (including all its employees or agents) in performing under this AGREEMENT, or any breach of the terms of this AGREEMENT, which constitute an obligation of VENDOR. VENDOR shall reimburse MAPC and BUYER for any and all costs, damages, and expenses including reasonable attorney's fees which MAPC and BUYERS pay, or becomes obligated to pay, by reason of such activities or breach. The provisions of this Section shall be in addition to and shall not be construed as a limitation on any other legal rights of MAPC, BUYERS, and The Commonwealth of Massachusetts expressed or not expressed in the RFP and with respect to this AGREEMENT.

22. MAPC shall have the right to terminate this AGREEMENT for its convenience upon 14 (fourteen) calendar days of written notice.

23. MAPC shall have the right to terminate this AGREEMENT immediately in the event that MAPC, in its exclusive right determines that there has been a breach of security with regards to Personally Identifiable Information or Credit Card Data. MAPC shall bear no liability to VENDOR if it is ultimately determined that no breach occurred.

24. MAPC shall not be liable for payments for the services and/or expenses or lost profits of the VENDOR in the event of any termination.

25. The VENDOR shall remain liable for any damages, expenses, warranteees, or liabilities arising under this AGREEMENT (including its indemnity obligations) with respect to work performed pursuant to the AGREEMENT.

Article XII

Negotiation in the Event of Disputes

26. In the event of an unresolved dispute between BUYER and VENDOR, BUYER reserves the right to submit a written request to MAPC to work with the parties to resolve the dispute. Pursuant to this AGREEMENT, VENDOR is required to participate in good faith in such dispute resolution. BUYER and VENDOR would submit its positions in writing to MAPC. MAPC shall apply best efforts to resolve disputes in a fair and reasonable manner. Such
efforts shall include remote or in person meetings with either or both of the parties. Participation in dispute resolution does not obviate the parties’ ability to seek any legal remedies after MAPC has been given 2 (two) weeks to attempt to facilitate issue resolution. Such resolution must be mutually agreed to in writing by the parties. MAPC will not be a party to any resolution nor will it become liable for any issue resolution between the parties.
