- I encourage you to join using a web connection so you can see slides and presentations and participate in polls during the meeting - but there is also a mobile option
- Please let me know during the meeting if you've called so I can rename you on the screen - that way everyone will know who is "in the room"

Zoom Meeting Best Practices

- Please join the meeting 5-10 minutes beforehand so you can be sure your tech works. If you have any trouble accessing the meeting, call me (Lizzie Grobbel) at (248) 225-6933. We'll start promptly at 2pm.
- To minimize feedback noises, please mute yourself upon joining and plan to unmute yourself to share.
- Plan to use the Zoom chat box to ask questions and share information.
- Please share recommendations for meeting conduct that we should follow. We're all navigating this transition to digital meetings together and learning along the way. Feel free to send me an email in advance or type suggestions into the chat box during the meeting!
