

The Inner Core Committee of MAPC presents:

## A training workshop on Getting the Census Data You Need Using American FactFinder 2

2:30-5:00pm, Wednesday, April 4, 2012

Tufts GIS Center, Map Room, Tisch Library Level 2 (Main Floor)  
35 Professors Row, Medford, MA 02155

Space is limited and RSVPs are required.

Email [mbewtra@mapc.org](mailto:mbewtra@mapc.org) to reserve your spot!

Join the Inner Core Committee for this hands-on training to learn how to use the US Census Bureau's web-based American FactFinder 2 tool and to have your questions about Census 2010 and the American Community Survey answered by US Census and MAPC staff.

This free workshop is co-sponsored by the Inner Core Committee of MAPC, the Massachusetts Chapter of the American Planning Association (APA-MA), the Mel King Institute for Community Building, the Tufts GIS Center, and the US Census Bureau. Pending certification maintenance approval, 2 AICP CM credits will be offered.

Visit [www.mapc.org/icc](http://www.mapc.org/icc) to learn more about the Inner Core Committee, a subregional council of MAPC. To RSVP and for special accommodations, please contact Manisha Bewtra, AICP at [mbewtra@mapc.org](mailto:mbewtra@mapc.org) or 617-451-2770 ext. 2081. Directions to Tisch Library are available at <http://www.library.tufts.edu/tisch/directions.htm> and a campus map is available at <http://campusmaps.tufts.edu/medford/>. Parking is available at the Dowling Parking Garage and a free campus shuttle is available from the Davis Square MBTA Station. Please forward this invitation to others who may be interested, all are welcome!
