ABOUT MAPC

The Metropolitan Area Planning Council (MAPC) is the regional planning agency for greater Boston and is committed to smart growth and equity for all. MAPC is providing District Local Technical Assistance (DLTA) to the Town of Framingham to create an action plan with recommendations for how to make Southeast Framingham a “neighborhood of choice”. This action plan aims to enhance the area for existing residents, enhance existing businesses, and attract new retail, jobs and services for residents.
