

Please give us your ideas for how you would like to see Rockland in the future. This information will help us start to identify goals and a vision for the Town. Master plans start with a Vision Statement that gives residents, visitors, and businesses, an overall idea of the spirit of the master plan recommendations, and where the community would like to be in the future.

A  **SPECIAL THINGS TO PROTECT?**
What are special things about Town that we should protect?

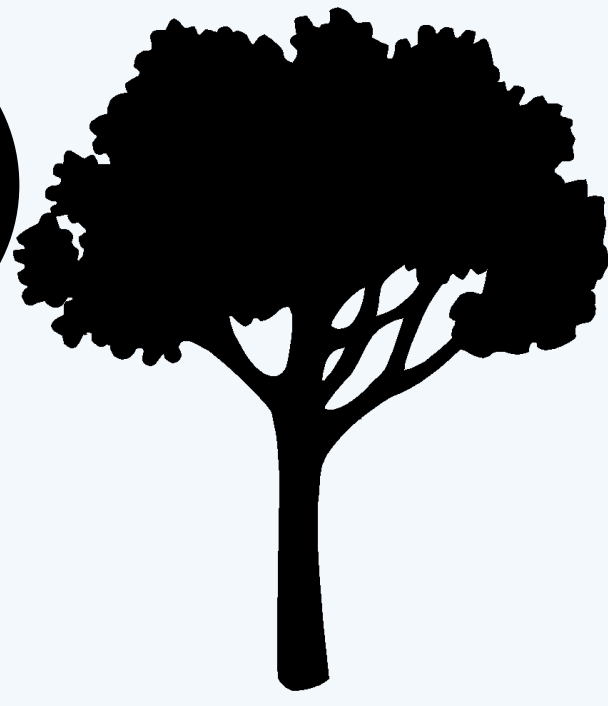

B  **THINGS THAT CAN BE IMPROVED?**
What are things about the Town that can be improved?

C  **RESIDENTIAL AREAS & HOUSING CHOICES?**
Is there anything you would like to change about residential areas and housing choices in Town?

D  **SHOPS & BUSINESSES?**
What kinds of shops and businesses would you like to see in the future?

Please give us your ideas for how you would like to see Rockland in the future. This information will help us start to identify goals and a vision for the Town. Master plans start with a Vision Statement that gives residents, visitors, and businesses, an overall idea of the spirit of the master plan recommendations, and where the community would like to be in the future.

E

PARKS & NATURAL AREAS?

Are there any changes you would like to see regarding parks and natural areas?
