

Special MAGIC Meeting: Accelerating Climate Resiliency Proposal

Thursday, February 18, 2021

9:30 am – 10:30 am

[Remote via Zoom](#)

AGENDA

- 9:30 am **Welcome (5 minutes)**
Adam Duchesneau, Sudbury Director of Planning and Community Development, MAGIC Chair
- 9:35 am **Climate Resiliency in the MAGIC Subregion (10 minutes)**
Julie Curti, MAPC Subregional Coordinator for MAGIC
- Brief overview/refresher of the MAGIC Climate Resilience Plan from 2017
- 9:45 am **Community Municipal Vulnerability Preparedness (MVP) Program Accomplishments To-Date (10 minutes)**
Facilitated by Julie Curti
- Discussion to share recent climate resiliency implementation projects and accomplishments in each community
 - [Please use this link](#) to participate in the interactive portion of this discussion using a Google Jamboard
- 9:55 am **Accelerating Climate Resiliency (ACR) Grant Opportunity (15 minutes)**
Jesse Steadman, Stow Town Planner and Alison Field-Juma, OARS Executive Director
- Overview of the ACR grant opportunity and proposed project for the MAGIC subregion to create an ongoing structure to move regionally from planning to implementation
- 10:10 am **Discussion (20 minutes)**
Facilitated by Alison Field-Juma
- Discussion to provide feedback on the grant proposal concept
 - Questions:
 - What would make the forum we are proposing through this grant most useful for your community?
 - Who should be at the table for these meetings? (e.g., town planners, community development staff, public works staff, community members, etc.) And how big should the table be?
 - Who are frontline populations in your community (or those that represent them) who we could include?

- Where have you had difficulties implementing your MVP plans? Which of your MVP goals are bigger than the boundaries of your community and best approached with one or more nearby towns?
- What regional data gaps could we help fill with this grant?

10:30 am
