8:05 Approval of Past Minutes from February 25, 2021 (5 minutes)

8:10 *New Standing Agenda Item* Introduce your municipality
Each meeting a different municipality will have about 5 minutes to share about their municipal committees, structure and initiatives that they are particularly proud of and then 5 minutes for questions and discussion. We're hoping to learn from each other about how we do the work of our community.

8:20 *New Standing Agenda Item* : Two things I wished I knew...affordable housing
There's a lot of knowledge around our table. We're setting aside time each meeting for each member to share two (or more) things they wished they had known about a particular planning topic or grant program. It's also a place to raise questions that we can all learn from. What does the topic mean for your community? What are some of the hurdles and resources you wished you'd known about sooner?

8:50 MAPC Technical Assistance Projects Updates and request for MWRC special assessment funding to support Regional Residential Climate Program
