

## Schools Goal

### 8. Goal: Randolph Public Schools promote student and staff health and engagement.

- 8.1. **Recommendation:** Establish a wellness committee comprised of school and health representatives that will guide the revision, adoption, and implementation plan of the Randolph Public Schools Wellness Policy.
- 8.2. **Recommendation:** As of the 2019-2020 school year all Randolph students receive free breakfast and lunch through the Community Eligibility Provision program. To ensure that students have enough healthy food outside of school and at home, revisit reinstating at the “Backpack Program” with dedicated staff, and fund after-school, school cancellation day, and summer meal programs.
- 8.3. **Recommendation:** Make facilities improvements to Randolph Public Schools in alignment with the goals and recommendations of the Randolph Comprehensive Master Plan and related school facilities capital improvement priorities.
- 8.4. **Recommendation:** Assess feasibility of and develop school-based health centers that give students access to health care at schools, which puts them in a better position to learn and overcomes transportation barriers. This complements the health care and public health
