

SWAP Transportation Needs, Concerns, and Ideas

What are the major transportation challenges in your community or in the region? What do you hope will improve?

What capital projects would help your community meet its transportation needs?

What can the MPO study that would help meet your transportation needs?

Use a sticky note to share your thoughts! Feel free to add your name, organization, or community.

MBTA double-track project - need for upgrades to commuter rail station in Norfolk town center

Better communication/coordination with MassDOT D5

process to update/improve State owned roadways where State still controls; streamline, clarify process

Influx of e-commerce, out of date bylaws to address changes

Long term plans for MassDOT owned eminent domain land (920-926 South St, Wrentham)

Dover: Assistance navigating new funding programs

Norfolk:
Complete streets projects are a priority

Metacomet Greenway project
<https://metacometgreenway.org/>

Sherborn: Sidewalks/complete streets are a priority in/around town center

Medway: Continuation of improvements on Route 109 towards Milford (west of Highland Street)

Sherborn: Upper Charles Trail - desire for extension north into Framingham (unsure about rail line status)

Medway:
Traffic signalization at Trotter Drive and Route 109

Wrentham
Downtown Intersection improvements (Route 1 & Route 140)

Expand funding and access to bus transit (MBTA, GATRA, Tri-Area, etc.)

SNETT from Grove Street to Franklin town center

Franklin:
Traffic at 140/West Central Street

Sherborn: Route 27 and 16 merge in town center creates problematic/dangerous intersections (Route 16/Maple Street, among others) - these have been studied in the past.

Pedestrian Safety Audit & Improvements (Downtown, & Schools in Wrentham)

Safety improvements to Route 1 (Wrentham)

Medway: Desire to research feasibility of rail trail between Medway and Millis (ROW ownership issues, but continued interest in pursuing/exploring this)

Matrix of an inventory of roadway funding programs including new programs under infrastructure bill - max funds available, match required, eligible activities, pre-reqs to apply, etc.
