**Re: FCAM 2022 Fire Apparatus, Vehicles & Equipment
Contract Extension**

Dear Ms. Marcoux,

Please accept this letter as notice that the Metropolitan Area Planning Council (“MAPC”), in accordance with Section 5.4 of the bid referenced above, hereby exercises its retained option to extend its contract with Greenwood Emergency Vehicles, LLC (“Greenwood”) to provide E-One Pumper Engines, Aerials, Platforms, OEM products, and Aftermarket Equipment for an additional six-month term until December 31, 2023.

As per the contract, your company is allowed to submit renewed pricing for the new contract year. Price escalations are contractually limited to 15% for base apparatus pricing and 20% for any upfitting equipment under contract. Please send your revised pricing, in the same format as currently is used, to Kelsi Champley (kchampley@mapc.org) as soon as possible. Once approved, the new pricing will be added onto the MAPC website for municipal buyers to use.

On behalf of the Fire Chiefs Association Massachusetts (“FCAM”) and MAPC, I thank you for your continued services.

Sincerely,

Kelsi Champley
