### **Other MPO Resources**

#### *Studies and Technical Assistance*

- Direct technical assistance requests: [bostonmpo.org/planning\\_assistance](https://bostonmpo.org/planning_assistance)
  - The MPO provides technical assistance to study and address transportation concerns including but not limited to traffic operations, bicycle and pedestrian access, and transit operations.
  - Reach out to Rebecca Morgan, Director of Projects and Partnerships, with any questions or to discuss a technical assistance request or idea:  
[rmorgan@ctps.org](mailto:rmorgan@ctps.org) / 857.702.3683

#### *Priorities for Transportation System Improvements*

- Subregional needs and priorities:
  - The MPO's [Needs Assessment](#) documents transportation needs in the Boston region, informed by data analysis and engagement. This Needs Assessment is organized in a series of interactive StoryMaps around the MPO's six [goal areas](#) established in the current Long-Range Transportation Plan, *Destination 2050*.
  - Individual transportation needs and priorities for each subregion are documented in subregional booklets, which are shared with each subregion and will be posted to the MPO calendar. Contact Stella Jordan at [sjordan@ctps.org](mailto:sjordan@ctps.org) if you have any questions about the subregional booklets.
- General MPO questions, suggestions, and requests (and engagement topics):
  - Reach out to Stella Jordan, Public Engagement Program Manager:  
[sjordan@ctps.org](mailto:sjordan@ctps.org) / 857.702.3675
