AND
DECLARATION OF RESTRICTIVE COVENANTS
FOR
RENTAL PROJECT
Local Action Units**

This Regulatory Agreement and Declaration of Restrictive Covenants (the "Agreement") is made this _____ day of _____ 2016 by and among the Commonwealth of Massachusetts, acting by and through the Department of Housing and Community Development ("DHCD") pursuant to G.L. c.23B §1 as amended by Chapter 19 of the Acts of 2007, the City/Town of Medford ("the Municipality"), and MMA RE II Partners, LLC, a Delaware Limited Liability Company, having an address at 14160 North Dallas Parkway, Suite 750, Dallas, Texas, 75254, and its successors and assigns ("Developer").

WITNESSETH:

WHEREAS, pursuant to G.L. c. 40B, §§ 20-23 (the "Act") and the final report of the Special Legislative Commission Relative to Low and Moderate Income Housing Provisions issued in April 1989, regulations have been promulgated at 760 CMR 56.00 (the "Regulations") which establish the Local Initiative Program ("LIP") and *Comprehensive Permit Guidelines: M.G.L. Chapter 40B Comprehensive Permit Projects - Subsidized Housing Inventory* have been issued thereunder (the "Guidelines");

WHEREAS, the Developer intends to construct a rental housing development known as RE 150 a 5-acre site 200 Rivers Edge Drive, Medford, Massachusetts, more particularly described in Exhibit A attached hereto and made a part hereof (the "Project");

WHEREAS, such Project is to consist of a total number of 282 rental dwellings (the "Units") and 8 of the Units will be rented at rents specified in this Agreement to Eligible Tenants as specified in paragraph two of this Agreement (the "Low and Moderate Income Units");

WHEREAS, the Chief Executive Officer of the Municipality (as that term is defined in the Regulations) and the Developer have made application to DHCD to certify that the units in the Project are Local Action Units (as that term is defined in the Guidelines) within the LIP Program; and

WHEREAS, in partial consideration of the execution of this Agreement, DHCD has issued or will issue its final approval of the Project within the LIP Program and has given and will give technical and other assistance to the Project;

NOW, THEREFORE, in consideration of the agreements and covenants hereinafter set forth, and other good and valuable consideration, the receipt and sufficiency of which each of the parties hereto hereby acknowledge to the other, DHCD, the Municipality, and the Developer hereby agree and covenant as follows:

1. Construction. The Developer agrees to construct the Project in accordance with plans and specifications approved by the Municipality (the "Plans and Specifications"). In addition, all Low and Moderate Income Units to be constructed as part of the Project must be indistinguishable from other Units in the Project from the exterior (unless the Project has an approved "Alternative Development Plan" as set forth in the Guidelines and must contain complete living facilities including but not limited to a stove, refrigerator, kitchen cabinets, plumbing fixtures, and washer/dryer hookup, all as more fully shown in the Plans and Specifications.

- 5 of the Low and Moderate Income Units shall be one bedroom units;
- 3 of the Low and Moderate Income Units shall be two bedroom units;
- 0 of the Low and Moderate Income Units shall be three bedroom units; and,
- 0 of the Low and Moderate Income Units shall be four bedroom units.

Low and Moderate Income Units must have the following minimum areas:

studio units	-	250 square feet
one bedroom units	-	700 square feet
two bedroom units	-	900 square feet
three bedroom units	-	1200 square feet
four bedroom units	-	1400 square feet

During the term of this Agreement, the Developer covenants, agrees, and warrants that the Project and each Low and Moderate Income Unit will remain suitable for occupancy and in compliance with all federal, state, and local health, safety, building, sanitary, environmental, and other laws, codes, rules, and regulations, including without limitation laws relating to the operation of adaptable and accessible housing for the handicapped. The Project must comply with all similar local codes, ordinances, and by-laws.

2. Affordability.

(a) Throughout the term of this Agreement, each Low and Moderate Income Unit will be rented for no more than the rental rates set forth herein to an Eligible Tenant. An Eligible Tenant is a person or Family whose annual income does not exceed eighty percent (80%) of the Area median income adjusted for family size as determined by the U.S. Department of Housing and Urban Development ("HUD"). A "Family" shall mean two or more persons who will live regularly in the Low and Moderate Income Unit as their primary residence and who are related by blood, marriage, or operation of law or who have otherwise evidenced a stable inter-dependent relationship; or an individual. The "Area" is defined as the Boston MSA/HMFA/Non-Metropolitan County.

(b) The monthly rents charged to tenants of Low and Moderate Income Units shall not exceed an amount equal to thirty percent (30%) of the monthly adjusted income of a Family whose gross income equals eighty percent (80%) of the median income for the Area, with adjustment for the number of bedrooms in each Unit, as provided by HUD. In determining the maximum monthly rent that may be charged for a Low and Moderate Income Unit under this clause, the Developer shall include an allowance for any utilities and services (excluding telephone) to be paid by the resident. Annual income shall be as defined in 24 C.F.R. 5.609 (or any successor regulation) using assumptions provided by HUD. The initial maximum monthly rents and utility allowances for the Low and Moderate Income Units are set forth in Exhibit B attached hereto. If the rent for a Low and Moderate Income Unit is subsidized by a state or federal rental subsidy program, then the rent applicable to the Low and Moderate Income Unit may be limited to that permitted by such rental subsidy program, provided that the tenant's share of rent does not exceed the maximum annual rental expense as provided in this Agreement.

Annually as part of the annual report required under Subsection 2(e) below, the Developer shall submit to the Municipality and DHCD a proposed schedule of monthly rents and utility allowances for all Low and Moderate Income Units in the Project. Such schedule shall be subject to the approval of the Municipality and DHCD for compliance with the requirements of this Section. Rents for Low and Moderate Income Units shall not be increased without the Municipality's and DHCD's prior approval of either (i) a specific request by Developer for a rent increase or (ii) the next annual schedule of rents and allowances. Notwithstanding the foregoing, rent increases shall be subject to the provisions of outstanding leases and shall not be implemented without at least 30 days' prior written notice by Developer to all affected tenants. If an annual request for a new schedule of rents for the Low and Moderate Income Units as set forth above is based on a change in the Area median income figures published by HUD, and the Municipality and DHCD fail to respond to such a submission within thirty (30) days of the Municipality's and DHCD's receipt thereof, the Municipality and DHCD shall be deemed to have approved the submission. If an annual request for a new schedule of rents for the Low and Moderate Income Units is made for any other reason, and the Municipality and DHCD fail to respond within thirty (30) days of the Municipality's and DHCD's receipt thereof, the Developer may send DHCD and the Municipality a notice of reminder, and if the Municipality and DHCD fail to respond within thirty (30) days from receipt of such notice of reminder, the Municipality and DHCD shall be deemed to have approved the submission.

Without limiting the foregoing, the Developer may request a rent increase for the Low and Moderate Income Units to reflect an increase in the Area median income published by HUD between the date of this Agreement and the date that the Units begin to be marketed or otherwise made available for rental pursuant to Section 4 below; if the Municipality and DHCD approve or are deemed to approve such rent increase in accordance with this subsection, the Initial Maximum Rents and Utility Allowances for Low and Moderate Income Units in Exhibit B of the Agreement shall be deemed to be modified accordingly.

(c) If, after initial occupancy, the income of a tenant of a Low and Moderate Income Unit increases and, as a result of such increase, exceeds the maximum income permitted hereunder for such a tenant, the Developer shall not be in default hereunder so long as either (i) the tenant income does not exceed one hundred forty percent (140%) of the maximum income permitted or (ii) the Developer rents the next available unit at the Development as a Low and

Moderate Income Unit in conformance with Section 2(a) of this Agreement, or otherwise demonstrates compliance with Section 2(a) of this Agreement.

(d) If, after initial occupancy, the income of a tenant in a Low and Moderate Income Unit increases, and as a result of such increase, exceeds one hundred forty percent (140%) of the maximum income permitted hereunder for such a tenant, at the expiration of the applicable lease term, the rent restrictions shall no longer apply to such tenant.

(e) Throughout the term of this Agreement, the Developer shall annually determine whether the tenant of each Low and Moderate Income Unit remains an Eligible Tenant. This determination shall be reviewed by the Municipality and certified to DHCD as provided in section 2(g), below.

(f) The Developer shall enter into a written lease with each tenant of a Low and Moderate Income Unit which shall be for a minimum period of one year and which provides that the tenant shall not be evicted for any reason other than a substantial breach of a material provision of such lease.

(g) Throughout the term of this Agreement, the Chief Executive Officer shall annually certify in writing to DHCD that each of the Low and Moderate Income Units continues to be Low and Moderate Income Unit as provided in sections 2 (a) and(c), above; and that the Project and the Low and Moderate Income Units have been maintained in a manner consistent with the Regulations and Guidelines and this Agreement.

3. Subsidized Housing Inventory.

(a) The Project will be included in the Subsidized Housing Inventory upon the occurrence of one of the events described in 760 CMR 56.03(2). Only Low and Moderate Income Units will be deemed low and moderate income housing to be included in the Subsidized Housing Inventory.

(b) Units included in the Subsidized Housing Inventory will continue to be included in the Subsidized Housing Inventory in accordance with 760 CMR 56.03(2) for as long as the following three conditions are met: (1) this Agreement remains in full force and effect and neither the Municipality nor the Developer are in default hereunder; (2) the Project and each of the Low and Moderate Income Units continue to comply with the Regulations and the Guidelines as the same may be amended from time to time and (3) each Low and Moderate Income Unit remains a Low and Moderate Income Unit as provided in section 2(c), above.

4. Marketing. Prior to marketing or otherwise making available for rental any of the Units, the Developer must obtain DHCD's approval of a marketing plan (the "Marketing Plan") for the Low and Moderate Income Units. Such Marketing Plan must describe the tenant selection process for the Low and Moderate Income Units and must set forth a plan for affirmative fair marketing of Low and Moderate Income Units to protected groups underrepresented in the Municipality, including provisions for a lottery, as more particularly described in the Regulations and Guidelines. At the option of the Municipality, and provided that the Marketing Plan demonstrates (i) the need for the local preference (e.g., a

disproportionately low rental or ownership affordable housing stock relative to need in comparison to the regional area), and (ii) that the proposed local preference will not have a disparate impact on protected classes, the Marketing Plan may also include a preference for local residents for up to seventy percent (70%) of the Low and Moderate Income Units, subject to all provisions of the Regulations and Guidelines and applicable to the initial rent-up only. When submitted to DHCD for approval, the Marketing Plan should be accompanied by a letter from the Chief Executive Officer of the Municipality (as that term is defined in the Regulations) which states that the tenant selection and local preference (if any) aspects of the Marketing Plan have been approved by the Municipality and which states that the Municipality will perform any aspects of the Marketing Plan which are set forth as responsibilities of the Municipality in the Marketing Plan. The Marketing Plan must comply with the Regulations and Guidelines and with all other applicable statutes, regulations and executive orders, and DHCD directives reflecting the agreement between DHCD and the U.S. Department of Housing and Urban Development in the case of NAACP, Boston Chapter v. Kemp. **If the Project is located in the Boston-Cambridge-Quincy MA-NH Metropolitan Statistical Area, the Developer must list all Low and Moderate Income Units with the City of Boston's MetroList (Metropolitan Housing Opportunity Clearing Center), at Boston City Hall, Fair Housing Commission, Suite 966, One City Hall Plaza, Boston, MA 02201 (671-635-3321).** All costs of carrying out the Marketing Plan shall be paid by the Developer. A failure to comply with the Marketing Plan by the Developer or by the Municipality shall be deemed to be a default of this Agreement. The Developer agrees to maintain for five years following the initial rental of the last Low and Moderate Income Unit and for five years following all future rentals, a record of all newspaper advertisements, outreach letters, translations, leaflets, and any other outreach efforts (collectively "Marketing Documentation") as described in the Marketing Plan as approved by DHCD which may be inspected at any time by DHCD. All Marketing Documentation must be approved by DHCD prior to its use by the Developer or the Municipality. The Developer and the Municipality agree that if at any time prior to or during the process of marketing the Low and Moderate Income Units, DHCD determines that the Developer, or the Municipality with respect to aspects of the Marketing Plan that the Municipality has agreed to be responsible for, has not adequately complied with the approved Marketing Plan, that the Developer or Municipality as the case may be, shall conduct such additional outreach or marketing efforts as shall be determined by DHCD.

5. Non-discrimination. Neither the Developer nor the Municipality shall discriminate on the basis of race, creed, color, sex, age, handicap, marital status, national origin, sexual orientation, familial status, genetic information, ancestry, children, receipt of public assistance, or any other basis prohibited by law in the selection of tenants; and the Developer shall not so discriminate in connection with the employment or application for employment of persons for the construction, operation or management of the Project.

6. Inspection. The Developer agrees to comply and to cause the Project to comply with all requirements of the Regulations and Guidelines and all other applicable laws, rules, regulations, and executive orders. DHCD and the Chief Executive Officer of the municipality shall have access during normal business hours to all books and records of the Developer and the Project in order to monitor the Developer's compliance with the terms of this Agreement.

7. Recording. Upon execution, the Developer shall immediately cause this Agreement and any amendments hereto to be recorded with the Registry of Deeds for the County where the Project is located or, if the Project consists in whole or in part of registered land, file this Agreement and any amendments hereto with the Registry District of the Land Court for the County where the Project is located (collectively hereinafter, the "Registry of Deeds"), and the Developer shall pay all fees and charges incurred in connection therewith. Upon recording or filing, as applicable, the Developer shall immediately transmit to DHCD and the Municipality evidence of such recording or filing including the date and instrument, book and page or registration number of the Agreement.

8. Representations. The Developer hereby represents, covenants and warrants as follows:

(a) The Developer (i) is a Delaware Limited Liability Company duly organized under the laws of the State of Delaware, and is qualified to transact business under the laws of this State, (ii) has the power and authority to own its properties and assets and to carry on its business as now being conducted, and (iii) has the full legal right, power and authority to execute and deliver this Agreement.

(b) The execution and performance of this Agreement by the Developer (i) will not violate or, as applicable, has not violated any provision of law, rule or regulation, or any order of any court or other agency or governmental body, and (ii) will not violate or, as applicable, has not violated any provision of any indenture, agreement, mortgage, mortgage note, or other instrument to which the Developer is a party or by which it or the Project is bound, and (iii) will not result in the creation or imposition of any prohibited encumbrance of any nature.

(c) The Developer will, at the time of execution and delivery of this Agreement, have good and marketable title to the premises constituting the Project free and clear of any lien or encumbrance (subject to encumbrances created pursuant to this Agreement, any loan documents relating to the Project the terms of which are approved by DHCD, or other permitted encumbrances, including mortgages referred to in paragraph 17, below).

(d) There is no action, suit or proceeding at law or in equity or by or before any governmental instrumentality or other agency now pending, or, to the knowledge of the Developer, threatened against or affecting it, or any of its properties or rights, which, if adversely determined, would materially impair its right to carry on business substantially as now conducted (and as now contemplated by this Agreement) or would materially adversely affect its financial condition.

9. Transfer Restrictions. Except for (i) rental of Low and Moderate Income Units to Eligible Tenants as permitted by the terms of this Agreement, (ii) rental of Market Units in the ordinary course of business, and (iii) mortgages and security interests permitted by subsection (d) below, the Developer will not sell, transfer, lease, or exchange the Project or any portion thereof or interest therein (collectively, a "Sale") or mortgage the Project, in each case without the prior written consent of DHCD and the Municipality.

(a) A request for consent to a Sale shall include:

- Other than with respect to a Sale of Beneficial Interests, a signed agreement stating that the transferee will assume in full the Developer's obligations and duties under this Agreement, together with a certification by the attorney or title company that it will be held in escrow pending closing of such Sale, and recorded in the Registry of Deeds with the deed and/or other recorded documents effecting the Sale;
- The name of the proposed transferee and any other entity controlled by or controlling or under common control with the transferee, and names of any affordable housing developments in the Commonwealth owned by such entities;
- A certification from the Municipality that the Development is in compliance with the affordability requirements of this Agreement (which the Municipality agrees to give promptly upon request).

(b) Consent to the proposed Sale shall be deemed to be given unless DHCD or the Municipality notifies the Developer within thirty (30) days after receipt of the request that either

- The package requesting consent is incomplete, or
- The proposed transferee (or any entity controlled by or controlling or under common control with the proposed transferee) has a documented history of serious repeated failures to abide by agreements of affordable housing funding or regulatory agencies of the Commonwealth or the federal government or is currently in violation of any agreements with such agencies beyond the time permitted to cure the violation, or
- The Project is not being operated in compliance with the affordability requirements of this Agreement at the time of the proposed Sale.

(c) The Developer shall provide DHCD and the Municipality with thirty (30) day's prior written notice of the following:

- (i) any change, substitution or withdrawal of any general partner, manager, or agent of Developer; or
- (ii) the conveyance, assignment, transfer, or relinquishment of a majority of the Beneficial Interests (herein defined) in Developer (except for such a conveyance, assignment, transfer or relinquishment among holders of Beneficial Interests as of the date of this Agreement (including their affiliates)).
- (iii) the sale, mortgage, conveyance, transfer, ground lease, or exchange of Developer's interest in the Project or any part of the Project.

For purposes hereof, the term "Beneficial Interest" shall mean: (i) with respect to a

partnership, any limited partnership interests or other rights to receive income, losses, or a return on equity contributions made to such partnership; (ii) with respect to a limited liability company, any interests as a member of such company or other rights to receive income, losses, or a return on equity contributions made to such company; or (iii) with respect to a company or corporation, any interests as an officer, board member or stockholder of such company or corporation to receive income, losses, or a return on equity contributions made to such company or corporation.

(d) Notwithstanding the above, neither DHCD's nor the Municipality's consent under this Section 9 shall be required with respect to the grant by the Developer of any mortgage or other security interest in or with respect to the Project to a state or national bank, state or federal savings and loan association, cooperative bank, mortgage company, trust company, insurance company or other institutional lender made at no greater than the prevailing rate of interest or any exercise by any such mortgagee of any of its rights and remedies (including without limitation, by foreclosure or by taking title to the Project by deed in lieu of foreclosure), subject, however to the provisions of Section 14 hereof.

Developer hereby agrees that it shall provide copies of any and all written notices received by Developer from a mortgagee exercising or threatening to exercise its foreclosure rights under the mortgage.

10. Casualty; Demolition; Change of Use.

(a) The Developer represents, warrants, and agrees that if the Project, or any part thereof, shall be damaged or destroyed or shall be condemned or acquired for public use, the Developer (subject to the approval of the lender(s) which has provided financing) will use its best efforts to repair and restore the Project to substantially the same condition as existed prior to the event causing such damage or destruction, or to relieve the condemnation, and thereafter to operate the Project in accordance with this Agreement.

(b) The Developer shall not, without prior written approval of DHCD and the Municipality and an amendment to this Agreement, change the type or number of Low and Moderate Income Units. The Developer shall not demolish any part of the Project or substantially subtract from any real or personal property of the Project except in the ordinary course or in the event of casualty or condemnation, or permit the use of the dwelling accommodations of the Project for any purpose except residences and any other uses permitted by the applicable zoning then in effect;

11. Governing Law. This Agreement shall be governed by the laws of the Commonwealth of Massachusetts. Any amendments to this Agreement must be in writing and executed by all of the parties hereto. The invalidity of any clause, part, or provision of this Agreement shall not affect the validity of the remaining portions hereof.

12. Notices. All notices to be given pursuant to this Agreement shall be in writing and shall be deemed given when delivered by hand or when mailed by certified or registered

mail, postage prepaid, return receipt requested, to the parties hereto at the addresses set forth below, or to such other place as a party may from time to time designate by written notice:

13. Term.

(a) This Agreement and all of the covenants, agreements and restrictions contained herein shall be deemed to be an affordable housing restriction as that term is defined in G.L. c. 184, § 31 and as that term is used in G.L. c.184, § 26, 31, 32 and 33. This Agreement shall bind, and the benefits shall inure to, respectively, Developer and its successors and assigns, and DHCD and its successors and assigns and the Municipality and its successors and assigns. DHCD has determined that the acquiring of such affordable housing restriction is in the public interest. The term of this Agreement, the rental restrictions, and other requirements provided herein shall be perpetual.

(b) The Developer intends, declares and covenants on behalf of itself and its successors and assigns (i) that this Agreement and the covenants, agreements and restrictions contained herein shall be and are covenants running with the land, encumbering the Project for the term of this Agreement, and are binding upon the Developer's successors in title, (ii) are not merely personal covenants of the Developer, and (iii) shall bind the Developer, its successors and assigns and enure to the benefit of DHCD and the Municipality and their successors and assigns for the term of the Agreement. Developer hereby agrees that any and all requirements of the laws of the Commonwealth of Massachusetts to be satisfied in order for the provisions of this Agreement to constitute restrictions and covenants running with the land shall be deemed to be satisfied in full and that any requirements of privity of estate are also deemed to be satisfied in full.

14. Lender Foreclosure.

Notwithstanding anything herein to the contrary, but subject to the provisions of this Section, if the holder of record of a first mortgage granted to a state or national bank,

state or federal savings and loan association, cooperative bank, mortgage company, trust company, insurance company or other institutional or governmental lender (or an affiliate of such holder) shall acquire the Project by reason of foreclosure or similar remedial action under the provisions of such mortgage or upon conveyance of the Project in lieu of foreclosure, and provided that the holder of such mortgage has given the Municipality and DHCD not less than sixty (60) days' prior written notice of its intention to foreclose upon its mortgage or to accept a conveyance of the Project in lieu of foreclosure to attempt to structure a workout or other arrangement to avoid such foreclosure, conveyance in lieu of foreclosure, or similar remedial action and the Municipality or DHCD has failed within such sixty (60) days to locate a purchaser for the Project who is capable of operating the Project for the uses permitted under this Agreement and who is reasonably acceptable to such mortgage holder, then except as provided below, the rights and restrictions herein contained shall not apply to such mortgage holder upon such acquisition of the Project or to any purchaser of the Project from such mortgage holder, and the Project shall, subject to Paragraph (b) below, thereafter be free from all such rights and restrictions. Notwithstanding the foregoing, the rights and restrictions contained herein shall terminate only to the extent it is financially infeasible to maintain the level of affordability required by this Agreement or some lesser level of affordability (i.e., fewer Local Action Units or Local Action Units affordable to persons or families with higher annual incomes than those required by this Agreement.) "Financially infeasible" shall mean (i) with respect to the operation of the Project, that the rent and other income from the Project is, or is reasonably projected to be, less than the reasonable expenses required (or reasonably projected to be required) to maintain and operate the Project and (ii) with respect to a sale of the Project, that the restrictions would prevent (or be reasonably projected to prevent) the senior mortgage holder from recovering all amounts due and owing with respect to its financing of the Project, including without limitation, principal, interest, charges, costs, expenses, late fees and prepayment premiums. Financial infeasibility shall be determined by the senior mortgage holder in its reasonable discretion after consultation with the Municipality and DHCD. The senior mortgage holder shall notify the Municipality and DHCD of the extent to which the rights and restrictions contained herein shall be terminated and the Developer agrees to execute any documents required to modify this Agreement to conform to the senior mortgage holder's determination. The Developer hereby irrevocably appoints any senior mortgage holder and each of the Municipality and DHCD, its true and lawful attorney-in-fact, with full power of substitution, to execute, acknowledge and deliver any such documents on behalf of the Developer should the Developer fail or refuse to do so.

(b) The rights and restrictions contained herein shall not lapse if the Project is acquired through foreclosure or deed in lieu of foreclosure by (i) Developer, (ii) any person with a direct or indirect financial interest in Developer, (iii) any person related to a person described in clause (ii) by blood, adoption or marriage, (iv) any person who is or at any time was a business associate of a person described in clause (ii), and (v) any entity in which any of the foregoing have a direct or indirect financial interest (each a "Related Party"). Furthermore, if the Project is subsequently acquired by a Related Party during the period in which this Agreement would have remained in effect but for the provisions of this Section, this Agreement shall be revived and shall apply to the Project as though it had never lapsed.

(c) In the event such holder conducts a foreclosure or other proceeding enforcing its rights under such mortgage and the Project is sold for a price in excess of the sum of the out-standing principal balances of all notes secured by mortgages of the Project plus all future advances, accrued interest and all reasonable costs and expenses which the holders thereof are entitled to recover pursuant to the terms of such mortgages, such excess shall be paid to the Municipality in consideration of the loss of the value and benefit of the rights and restrictions herein contained and released by the Municipality pursuant to this Section in connection with such proceeding (provided, that in the event that such excess shall be so paid to the Municipality by such holder, the Municipality shall thereafter indemnify such holder against loss or damage to such holder resulting from any claim made by the mortgagor of such mortgage to the extent that such claim is based upon payment of such excess by such holder to the Municipality in accordance herewith, provided that such holder shall give the Municipality prompt notice of any such claim and shall not object to intervention by the Municipality in any proceeding relating thereto). To the extent the Developer possesses any interest in any amount which would otherwise be payable to the Municipality under this paragraph, to the full extent permissible by law, the Developer hereby assigns its interest in such amount to said holder for payment to the Municipality.

15. Further Assurances. The Developer and the Municipality each agree to submit any information, documents, or certifications requested by DHCD which DHCD shall deem necessary or appropriate to evidence the continuing compliance of the Developer and the Municipality with the terms of this Agreement.

16. Default.

(a) The Developer and the Municipality each covenant and agree to give DHCD written notice of any default, violation or breach of the obligations of the Developer or the Municipality hereunder, (with a copy to the other party to this Agreement) within seven (7) days of first discovering such default, violation or breach (a "Default Notice"). If DHCD becomes aware of a default, violation, or breach of obligations of the Developer or the Municipality hereunder without receiving a Default Notice from Developer or the Municipality, DHCD shall give a notice of such default, breach or violation to the offending party (with a copy to the other party to this Agreement) (the "DHCD Default Notice"). If any such default, violation, or breach is not cured to the satisfaction of DHCD within thirty (30) days after the giving of the Default notice by the Developer or the Municipality, or if no Default Notice is given, then within thirty (30) days after the giving of the DHCD Default Notice, then at DHCD's option, and without further notice, DHCD may either terminate this Agreement, or DHCD may apply to any state or federal court for specific performance of this Agreement, or DHCD may exercise any other remedy at law or in equity or take any other action as may be necessary or desirable to correct non-compliance with this Agreement.

(b) If DHCD elects to terminate this Agreement as the result of a breach, violation, or default hereof, which breach, violation, or default continues beyond the cure period set forth in this Section 16, then the Low and Moderate Income Units and any other Units at the Project which have been included in the Subsidized Housing Inventory shall from the date of

such termination no longer be deemed low and moderate income housing for the purposes of the Act and shall be deleted from the Subsidized Housing Inventory.

(c) The Developer acknowledges that the primary purpose for requiring compliance by the Developer with the restrictions provided herein is to create and maintain long-term affordable rental housing, and by reason thereof the Developer agrees that DHCD or the Municipality or any prospective, present, or former tenant shall be entitled for any breach of the provisions hereof, and in addition to all other remedies provided by law or in equity, to enforce the specific performance by the Developer of its obligations under this Agreement in a state court of competent jurisdiction. The Developer further specifically acknowledges that the beneficiaries of its obligations hereunder cannot be adequately compensated by monetary damages in the event of any default hereunder. In the event of a breach of this Agreement, the Developer shall reimburse DHCD for all costs and attorney's fees associated with such breach.

17. Mortgagee Consents. The Developer represents and warrants that it has obtained the consent of all existing mortgagees of the Project to the execution and recording of this Agreement and to the terms and conditions hereof and that all such mortgagees have executed the Consent to Regulatory Agreement attached hereto and made a part hereof.
