### Purpose

- Hear about Task Force Subcommittee Progress
- Discuss and Seek Vote Requested by City of Salem
- Review Process for Task Force Charter Extension/Renewal

### Agenda

- I. Welcome from Senator Tarr & Convening Legislators
- II. Subcommittee Updates
  - Lower Basin Subcommittee
  - PFAS
  - Conservation and Demand Management
- III. Discussion and Vote on Item Proposed by Task Force Member, the City of Salem:  
“The Task Force agrees, based on a request by the City of Salem as a member, that during any subcommittee negotiations and subsequent deliberations by the full Task Force, members will refrain from further collective analysis of, or deliberation on, regional scenarios that involve Salem reducing its reliance on the SBWSB to pursue a connection to the MWRA.”
- IV. Review of Proposed Process for Extending/Renewing Task Force Charter, and Discussion
- V. Task Force Next Steps
