Contract Extension

Dear Ms. Marcoux,

Please accept this letter as notice that the Metropolitan Area Planning Council ("MAPC"), in accordance with Section 3.6 of the contract referenced above, hereby exercises its retained option to extend its contract with Greenwood Emergency Vehicles, LLC ("Greenwood") to provide Horton ambulances and related equipment for an additional six-month term from June 30, 2026 through December 31, 2026.

As per the contract, your company is allowed to submit renewed pricing for the new contract year. Price escalations are contractually limited to 15% for any product under contract. Please send your revised pricing, in the same format as currently is used to Brian Griffin (bgriffin@mapc.org) as soon as possible. Once approved, the new pricing will be added onto the MAPC website for municipal buyers to use.

On behalf of the Fire Chiefs Association Massachusetts ("FCAM") and MAPC, I thank you for your continued services.

Sincerely,

Kelsi Champley
