Request for Proposals

RFP #GBPC 2026 Trucks

Solicited on Behalf of the Greater Boston Police Council (GBPC), operators of the Boston Area Police Emergency Radio Network (BAPERN)

Addenda 3

Addenda #3

Issued: September 22, 2026

Amended language or text will be shown in red.

1. Proposer Questions

Question 1: I do not see the configurations you are looking for. I did see the approved chassis and accessories, but nothing (sic) tying them together as a complete unit, i.e 26" Morgan Box Truck or 22' Jerrdan rollback, etc. with specs. Am I missing something?

Answer 1: Proposers are instructed to review section 5.3 Price Proposal Preparation in the RFP for information about formatting their proposal's Bid Price Forms. Proposers can list chassis pricing and basic build specifications as they deem appropriate but should be mindful of the potential for an order requiring equipment tailored to their needs.

Question 2: I saw that Bollinger Motors was an approved chassis. Since they are OOB, how can we propose a similar spec with Harbinger Motors, who we are a dealer for?

Answer 2: Proposers are asked to review section 4.9 "Or Equal" for information on offering Vehicle Makes and Models that meet the standard of a vehicle similar to those listed in Table 1 of Section 4.2 of the RFP "Vehicle Manufacturers and Models."

Additionally, please see the remainder of this addenda for additional information.

2. Amendment to RFP Vehicle Manufacturers and Models

After reviewing the Vehicle Manufacturers and Models section of the RFP, an additional model has been added to Table 1 Truck Makes, Models and Estimated Quantities. Additionally, as the manufacturer is now out of business, Bollinger models have been removed from Table 1. All other information remains the same.

4.2 Vehicle Manufacturers and Models
