4. Vehicle Request

“[We] would like to submit a response to RFP GBPC 2026 Trucks. We would like to bid with Ford F650 and F750 trucks.”

Per the understanding of the definition of a medium-duty truck, the 650 and 750 do qualify as medium-duty trucks and could be accepted for this bid.

However, Vendors intending to submit trucks to the GBPC 2026 Trucks RFP that have already been accepted under the GBPC 2025 Vehicles contract cannot be listed under both contracts for the same Vendor. Vendors must remove any trucks they are intending to bid for GBPC 2026 Trucks from any current lists for other contracts that that vendor is party to with MAPC and GBPC as a condition of award.
