2. Vendor Question:

Question: It says prevailing wage for aggregate deliveries? There is no prevailing wage on hauling, there no level of measurement for minutes on dumping and running to coin a phrase. Prevailing wage is designed for trucks working onsite. Can you please clarify?

Answer: Per the Department of Labor Standards, Prevailing wage does apply to Earth Materials employees who deliver gravel or fill. A supplemental opinion letter from 2012 has been linked below:

[DLS-Prevailing-Wage-Opinion-2-22-12](#)
